Values

Name: Naomi

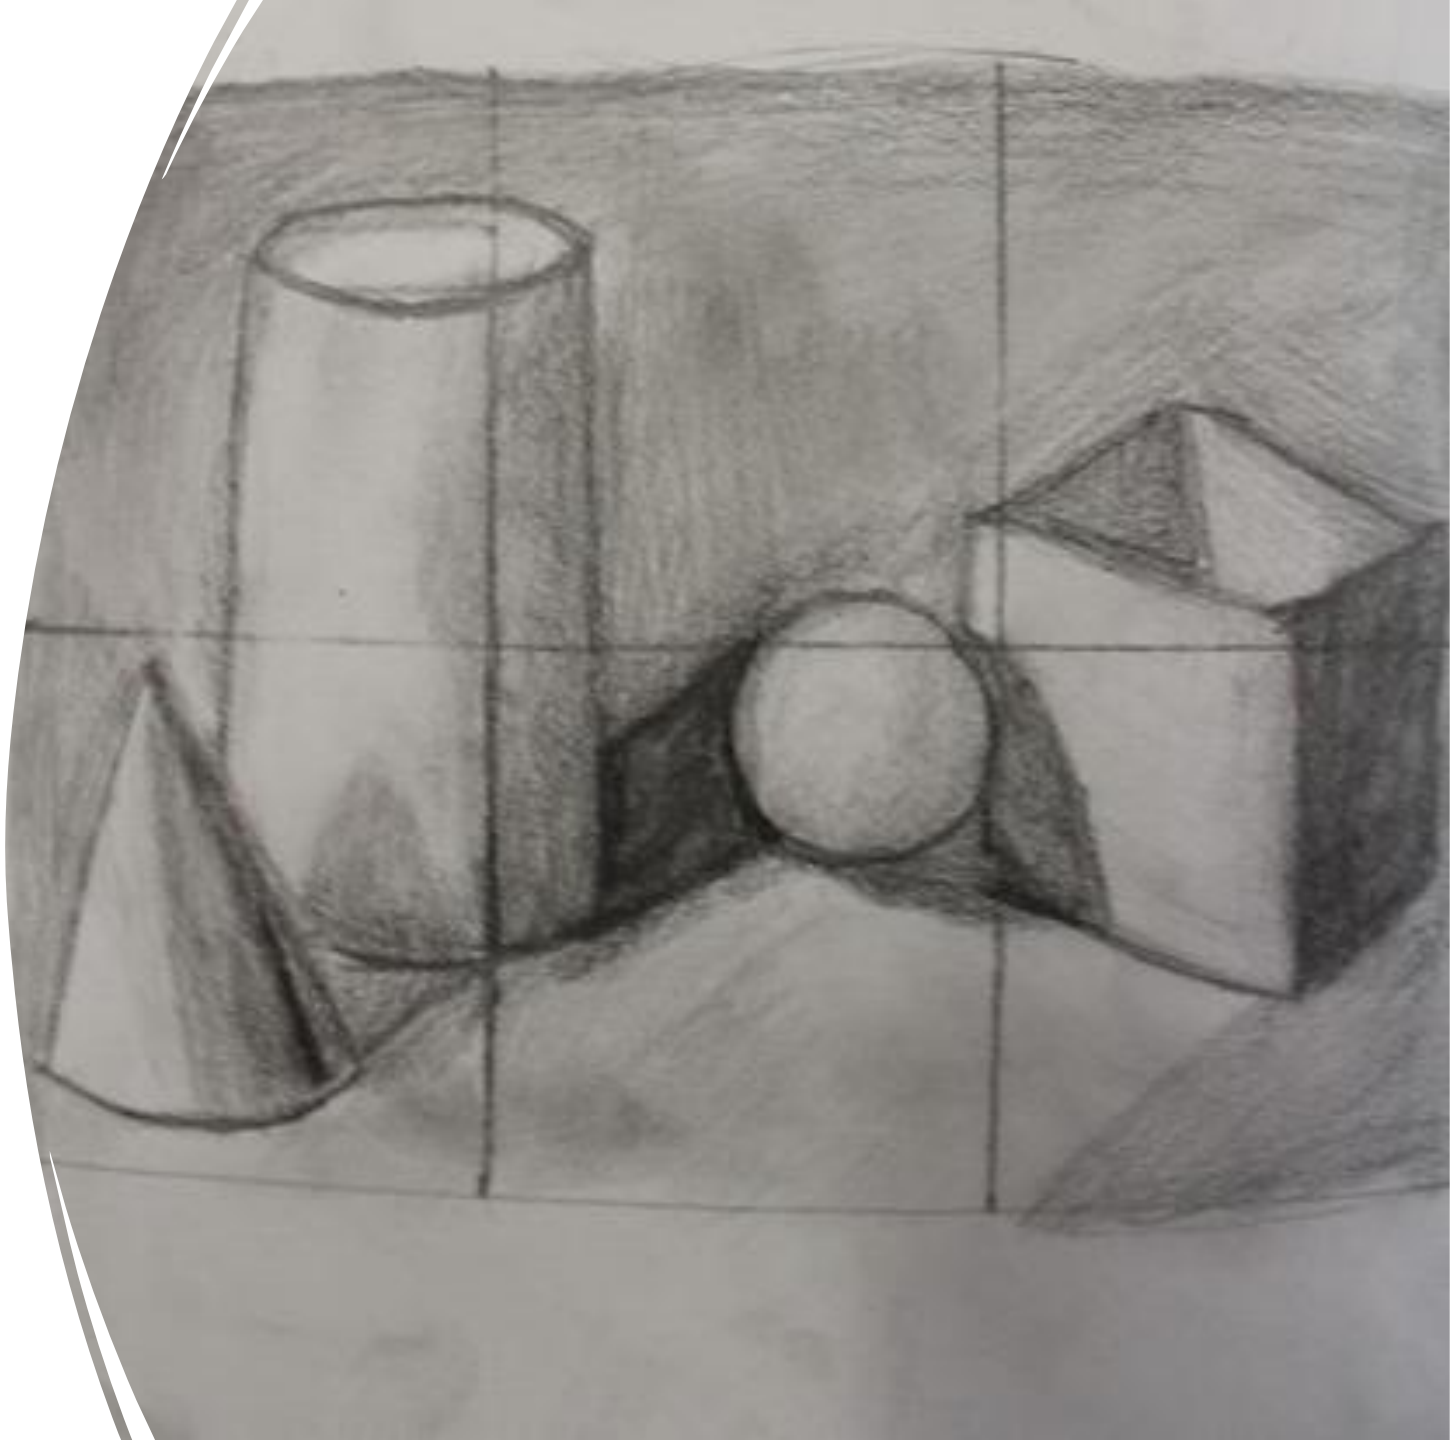
Tonal Value: How dark or light a colour is.

The word Tone in Art means The lightness or darkness in a object or colour

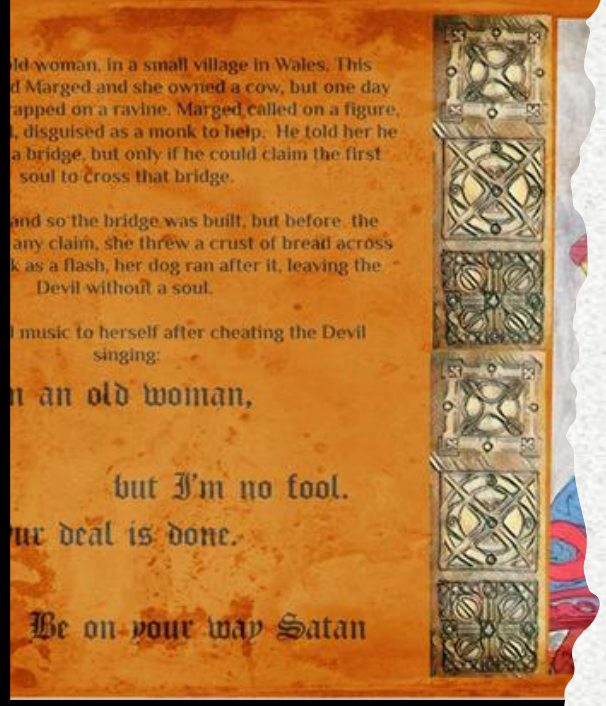
The word tone in Music or Drama means The emotional quality, specific sound or overall attitude conveyed by a performance.

s to the outline of the pear and the jug. Make sure you carefully **observe** the shape of the tone

Tone



Sixth Form



A Level illustrations combining ornamentation inspired by Celtic patterns

High speed
racing
My idea: Slower shutter speed of my camera to capture sense of movement, colours, form and shapes are blurred and painterly with sweeping brush strokes, would look effective as large acrylic paintings on canvas?
