

## Autism Reality Experience 2023

The Autism Reality Experience is coming to Venue Cymru.

The **Autism Reality Experience** has been developed to give non-autistic people a brief experience of the sensory processing difficulties faced by many people on the autism spectrum.

The Autism Reality Experience Bus will be parked up at **Venue Cymru car park on 2<sup>nd</sup> November 2023 from 9.30am to 4:00pm**  
Feel free to come and try the autism reality experience

The Autism Reality Experience is aimed at improving understanding and awareness of the impact of autism.

**No booking is required but during busy times there might be a waiting period**

**This experience is not suitable for pregnant women  
It may be unsuitable for some autistic people and people with certain medical conditions because of the impact on sensory processing.**

During the experience your sensory and physical abilities will be impaired.  
Attendees may need to complete a brief medical statement before the session.

The Autism reality Experience is provided by Training 2 Care UK
