in South Wales opens in September  
This is what our children could have!**

# A new school for our children and our community

Proud of our past; building a bright future

**Shaping the  
future  
of Catholic  
education  
in Flintshire**

## Why change is needed

Our current building has served generations with pride. However, recent issues such as high classroom temperatures, pest concerns, poor condition of boys toilets, and increasing maintenance demands indicate that building is reaching the end of its operational life.

## What a new school will provide

- ◆ Modern, safe and comfortable classrooms
- ◆ High-quality facilities that support teaching and learning across all ages
  - ◆ Improved opportunities for student achievement and wellbeing
- ◆ Inclusive spaces designed for all learners and the community
  - ◆ State of the art sports facilities
- ◆ A lasting investment in the education and prosperity of Flintshire

## The benefits for our community

- ◆ Better learning environments for every student
  - ◆ Improved health, safety and wellbeing
  - ◆ Facilities for learning, faith, sport and the wider community
- ◆ Supports local regeneration and opportunities
  - ◆ A legacy for future generations

Proud of our past; building a bright future

**Have your say**

This consultation is your opportunity to help shape the future of Catholic education in Flintshire.

By supporting this proposal, we can ensure the best possible environment for current students and future generations.

We encourage parents, carers, students, staff, parishioners and members of the wider community to support us.

**From Tuesday 16 June 2026  
to Wednesday 29 July 2026**
