**OUR  
MISSION**

Learning together in Christ, we aim to be a community who are:

**Grateful** for their own gifts, for the gift of other people, and for the blessings of each day; and **generous** with their gifts, becoming men and women for others.

**Attentive** to their experience and to their vocation; and **discerning** about the choices they make and the effects of those choices.

**Compassionate** towards others, near and far, especially the less fortunate; and **loving** by their just actions and forgiving words.

**Faith-filled** in their beliefs and **hopeful** for the future.

**Eloquent** and **truthful** in what they say of themselves, the relations between people, and the world.

**Learned**, finding God in all things; and **wise** in the ways they use their learning for the common good.

**Curious** about everything; and **active** in their engagement with the world, changing what they can for the better.

**Intentional** in the way they live and use the resources of the earth, guided by conscience; and **prophetic** in the example they set to others.

We aim to be a Catholic learning community where:

Respect for all people is paramount and we embrace the diversity of all God's people.

All individuals have opportunities to discover their potential and to develop and share their unique talents.

A welcome is offered to those who visit and friendship and enjoyment are experienced by all.

All experience a safe and secure environment.

Our faith is lived and experienced and visible in word and in action.

We strive to be stewards of creation and take care of God's world and all who inhabit it, especially the poor and disadvantaged.

Fairness, care and compassion are central to life.
