### SHORTER LESSONS

6 lessons of 35 minutes. Teachers will make the content more focused and break down the learning for you.

2

### REST BREAKS

In between lessons, there will be a short break so that you can get away from the screen.

3

### TIME TO COMPLETE TASKS

Formal lessons will finish at 2.20pm, allowing one hour for tasks to be completed before normal school finishing time.

4

### ENRICHMENT THEME DAYS

On 27th January, 4th and 12th February (if we aren't back in school) formal lessons will be replaced by a range of activities.
