

# Ysgol Uwchradd Gatholig St. Richard Gwyn Catholic High School

## Our Catholic School

**St. Richard Gwyn Catholic High School strives to provide a caring, secure environment in which each pupil can reach their full potential and realize their human dignity. We wish to develop young people with strength of character and confidence through our insistence on the pursuit of excellence and concern for others.**

**We recognise that commitment to service is integral to Catholic education. We share the task of promoting Gospel values, thus preparing our pupils for the opportunities, responsibilities and experiences of adult life. We seek to educate the whole person, academically, socially, spiritually and morally through a curriculum based on Christian principles and centered on the needs and aspirations of our pupils.**

**We endeavour to promote the dignity of each individual who is a child of God, endowed with their own gifts and talents. Every human experience is seen as an opportunity to deepen our knowledge and love of God. The school community is expected to reflect the values of the Gospel and to express this in respect, forgiveness, trust, freedom, justice, non-violence and good discipline.**

**As a Catholic community, we are part of a local, national and universal Church. We are dedicated to ensuring that our pupils grow to an understanding of their Faith in a Catholic environment, where the calibre of religious teaching and quality of life will be formative in the hearts and minds of young people. Fundamental to this successful education is the partnership between governors and staff, pupils and parents, parish and the wider community.**
